Hospice Care

When you or a loved one are faced with a terminal diagnosis or life-limiting illness, your focus shifts from seeking a cure to seeking greater quality of life.

Our experts provide physical, social, emotional and spiritual care through a physician-directed interdisciplinary group (IDG) that may include:

- Physicians
- Nurse Practitioners
- Registered Nurses
- Personal Care Aides
- Social Workers
- Spiritual Care Coordinators
- Bereavement Specialists
- Volunteers

Your Covenant Care team will work closely and collaboratively to enhance your care, improve quality of life and ensure optimal well-being.

- Pain Management
- Shortness of Breath
- Fatigue
- Nausea/Vomiting
- Constipation
- Anxiety
- Depression
- Lack of Appetite

Care Wherever You Call Home
Our goal is to honor a patient’s choice to receive care in their own home or a homelike setting whenever possible.

Veteran’s Program
Covenant Care honors and cares for our nation’s heroes, while remaining sensitive to the distinctive experiences and challenges faced by those who have served our country.

Hospice Levels of Care

- Routine Home Care
  - is offered to patients who have a life-limiting illness but are not presently experiencing any acute crisis.

- Continuous Care
  - is an advanced level of care aimed at providing additional support and assistance to the patient and loved ones during an especially difficult time.

- Inpatient Care
  - is provided for patients whose symptoms are uncontrolled and cannot be managed at home.
